Dear Resident/Business Owner

High Street/Eastwood Road, Rayleigh

Further to our recent letter regarding upcoming resurfacing works on the High Street and Eastwood Road in Rayleigh, we wanted to advise you that we are aware that our crews have also been on site relining the roads, which, as you'd expect, would normally take place once any resurfacing works had been completed.

We would like to reassure you that these works were carried out in error due to a mix up, which was identified and fortunately stopped before fully completed. It is not representative of how Essex Highways would normally operate, and this kind of error is very rare.

We would like to apologise and assure you that Essex Highways crews work very hard across the county repairing and maintaining roads.

For more details and the latest updates about this scheme please visit:
www.essex.gov.uk/highwayschemes choosing the link for '**A129 High Street/Eastwood Road, Rayleigh – road surface improvements**'.

We would like to thank you in advance for your support while we work to improve the road surface in Rayleigh.

Yours faithfully

Essex Highways
