

REF: CW01/ROCHFORD

Residents of Rochford near the Bloor Homes site off of Ashingdon Road
Rochford

07th of August 2023

Dear Resident

Hope you are well. We are planning to construct the Bloor Homes Site bellmouth starting on the 14th of August.

The works duration will be three weeks and will be complete by the 1st of September so our traffic management is off of the road before the schools reopen.

The traffic management will be three way lights with a footpath closure. During the works the existing pedestrian crossing will be closed and an alternative pedestrian crossing will be provided at either end of the works space.

Whilst our works take place the bus stop outside of the school will be suspended and a temporary bus stop will put up further down the road.

We apologize for any inconvenience caused and thank you for your cooperation. If you have any queries, please contact me directly on 07969 181395.

Kind regards

Chris Wheelwright
278 works and Infrastructure Manager
