LOCAL HIGHWAYS PANEL – MINUTES AND ACTIONS

	PRESENT:
Date: 30 th June 2015 Venue: Committee Room 5, County Hall	Panel Members: Cllr Keith Bobbin, Cllr Anthony Hedley, Cllr Mark Ellis, Cllr Malcolm Buckley, Cllr Kerry Smith, Cllr Nigel Le Gresley
Apologies: Cllr Melissa McGeorge, Cllr William Archibald, Cllr Kay Twitchen	Other Attendees: Cllr Rodney Bass – Cabinet Member for Highways and Transportation, Cllr Ray Howard – Deputy Cabinet Member for Highways and Transportation, Will Price – Highway Liaison Officer, Sonia Church – Highway Liaison Manager, Gregg Speller – Highway Liaison Officer, Luisa Ribeiro – Student, Bernard Foster – Parish Council Representative

Item:	Action:	Action Owner:
1.	Welcome and Introductions	
	Cllr Bobbin welcomed everyone to the meeting.	
2.	Declarations of Interest	
	There were none.	
3.	Minutes of meeting held on 26 th March 2015 and Matters Arising	
	Councillor Bobbin led the Panel through the previous meeting's minutes. There were no matters arising.	
4.	Basildon District Approved Scheme List	
	Salcott Crescent – LBAS142002 – Will Price made Panel Members aware that the safety audit had raised a number of issues with the approved scheme and the surrounding highway. Overcoming these issues would require a significant top up which would go towards street lighting improvements, carriageway and pedestrian refuge widening, the lowering of the grass bank etc. The estimate of funds required to undertake this work was £65,000. Councillor Buckley questioned whether this was a good use of Panel funds. Councillor Le Gresley voiced his support for the proposal. WP advised the Panel that they had sufficient funds within their budget to approve this scheme as well as all	

other validated potential 15/16 schemes. The Panel were asked to vote. The majority approved the scheme top up.

Councillor Bass informed the Panel that this was their last chance to allocate funds this financial year, and that any unspent funds would be re-allocated elsewhere. He advised that Panel Members should seek to follow the recommendations of highway officers.

Eastgate Layby – LBAS142008 – WP advised that the study was not yet complete, but that the stakeholder meeting could be used as a forum to make the final decision on which of the 3 forthcoming options should be taken forward if funds were allocated today. This was approved by the Panel.

A129/Bakers Farm Close – LBAS142047 – WP advised that the feasibility study into the replacement of the pedestrian refuge with a signalised crossing was not yet complete, but that the engineer responsible for the study had intimated that the site was not suitable for a signalised crossing. Instead the engineer had recommended widening the existing refuge at a cost of £20,000. Panel to consider within potential scheme list.

Stock Road – LBAS152018 – WP advised that a £5,000 top up to this recently approved scheme would be required if the Panel wished for all elements except delivery to be carried out this year. This would bring the scheme in line with other schemes of the same type. Panel to consider within potential scheme list.

District Wide 20mph Designs – WP asked that the Panel confirm their school selections for 20mph designs in 2015/16 and to confirm whether the preference was for a zone or limit where a choice was applicable (results are shown in the table below). Cllr Smith reminded the Panel that he had only chosen one school as his was a one Member Division, and he had also sought the introduction of a variable limit outside Lee Chapel School which was not included in the selection. Cllr Bass reminded Panel Members that 20mph schemes should be self-enforcing due to pressures on the police. WP advised that some issues had been picked up with the schools 20mph report, namely that it had based recommendations on 85th%ile speeds rather than mean speeds, and therefore that regrettably the selections available may be subject to change in the coming months. WP to keep Members informed in this regard.

	Highways Im	provements Prog	ramme - S	Schemes for Consideration
	WP talked the	Panel through the	front shee	et which showed £422,230 of
		•		apital schemes ready for
	• •			oured green within the
				fied with WP that the £20,000
	•			included within the £428,800
				vas truly £448,800. WP
			0	reminded the Panel that this
	was their last	opportunity to alloc	ate funds	in 15/16. He advised that a
	small over allo	ocation was accept	able and t	herefore the Panel should
	seek to approv	ve all schemes colo	oured gree	en and discuss only the
			• •	the Panel with noted
1	reservations fi	rom Cllr Buckley or	n the sche	mes highlighted.

Schemes Approved:

<u>Traffic Management</u> LBAS 152011 – Sunnymede School Pedestrian Guard Rails - £3,000 unanimously approved

LBAS 152013 – Elder Avenue Informal consultation re removal of speed humps - £3,000 majority approved. Reservations from Cllr Buckley that cushions had been implemented for a reason, and their removal was unlikely to be supported by residents. Reservations also in relation to possible safety implications.

LBAS 152017 – Gardiners Lane North Weight Limit - £30,000 unanimously approved

LBAS 152020 – Runwell Road, Wickford footway widening surveys and designs - £4,000 unanimously approved

LBAS 152022 – Old Church Road bollards - £4,000 unanimously approved

LBAS 152026 – London Road Wickford crossing upgrade (surveys and designs) - £25,000 unanimously approved, although Cllr Buckley did voice concerns that the potential forthcoming closure of the doctors surgery could affect the number of pedestrians crossing. This was refuted by Cllr Le Gresley who asserted that the crossing was used for many reasons other than the doctor's surgery.

LBAS152028 – Eastgate Layby improvements – £80,000 unanimously approved on understanding that the final scheme option would be selected at a forthcoming stakeholders meeting.

LBAS 152030 – A129/Bakers Farm Close pedestrian refuge widening - £20,000 unanimously approved. Scheme coloured amber in list.

LBAS 152031 – A13 Layby Closure and drainage improvements - £50,000 unanimously approved

LBAS 152033 – Wickford C of E school crossing upgrade (survey and design) - £25,000 unanimously approved subject to validation (scheme coloured red on list)

LBAS 152035 – Yardleys bollard addition - £1,800 unanimously approved

	LBAS152038 – Lee Chapel School variable speed limit feasibility study - £4,000 unanimously approved	
	LBAS 142002 – Salcott Crescent scheme top up - £65,000 majority approved – Cllr Buckleys reservations discussed in approved scheme list item.	
	LBAS 152018 – Stock Road crossing upgrade design scheme top up - £5,000 unanimously approved	
	Public Rights of Way LBAS 158002 – Bridleway 34 Great Burstead - £55,000 unanimously approved	
	Passenger Transport LBAS155016 – Replacement of bus shelter - £5,000 unanimously approved	
	Schemes not Approved All schemes coloured amber or red which had not been upgraded to "green" schemes were discussed with the Panel, who were largely accepting of the reasons why the schemes could not be considered at this stage. Cllr Smith however disagreed with the assertion that LBAS152043 (moving of sign post outside 16 Sparrows Herne) was not a suitable scheme and said he would bring further info to the next meeting.	Cllr Smith
6.	Ranger Report	
	WP directed Members to the ranger report included as Appendix 4. The volume of work undertaken this calendar year was noted, but there were some concerns raised on behalf of Cllr Twitchen in relation to the time taken and standard of some of the rangers work.	
7.	A.O.B	
	There was no other business.	
8.	Date of Next Meeting	
	Next meeting to be held on 29 th September. Subsequent dates to be circulated via email.	

Basildon Approved Scheme List

Basildon Approved Schem	e List			Key:	Completed schemes	
					Cancelled schemes	
		-			For Discussion	
Task Name	Finish	CMA approved	Cost Code	Works Description	Allocated Budget	Comments
2012/13 Approved						
ITS0031 A127 Between A128 and B148 VMS	May 2017	14/01/2013	LBAS002014	Design, supply and installation of Variable Message sign.	£95,000.00	
2014/15 Approved						
Laindon Road, Billericay	Complete	24/02/2014	LBAS132030	Reposition existing School sign with School plate and Install Children going to School sign with School plate pre approved prior to new years budget	£2,000.00	Signs now moved/installed. Complaints received from one resident about new sign location. Discussed with Cllr Hedley and Cllr Twitchen.
London Road, Billericay	Nov 2015	24/02/2014	LBAS142001	Installation of tall poles to the London Road crossing - pre approved prior to new years budget ITS	£50,000.00	
Janet Duke School, Basildon	Complete	28/05/2014	LBAS142034	Design previosuly agreed - implementation costs for crossing	£150,000.00	
Salcott Crescent	Mar 2016	28/05/2014	LBAS142002	Install Staggered barriers either side of Salcott Crescent	£75,000.00	£65,000 Top up agreed at previous meeting for additionaly required lighting improvements, bank excavation, refuge and road widening etc.
Ashlyns J/w Mill Green Road, Pitsea	Mar 2016	09/07/2014	LBAS141004	Providing a right turn lane to facilitate turning movements from Ashlyns into Mill Green Road and reduce collisions.	£30,000.00	
District Wide	Jan 2016	09/07/2014	LBAS141005	Funding for Casualty Reduction Site Investigations at forthcoming identified cluster	£16,000.00	
Eastgate layby (Asda end Southernhay)	Sep 2015	09/07/2014	LBAS142008	Feasibility study to install a clearway along Southernhay therefore reducing ilegal parking in the layby and improving traffic flow.		Study complete. To be circulated in coming weeks. Options to be presented at stakeholder meeting.

Task Name	Finish	CMA approved	Cost Code	Works Description	Allocated Budget	Comme
Church Road JW Southend Road	Feb 2016	15/10/2014	LBAS142046	Detailed design and investigation to include safety audit and to explore land ownership and potential utility costs as recommended in the technical note.	£4,000.00	
A129 Southend Road / Bakers Farm Close, Wickford	May 2015	15/10/2014	LBAS142047	Feasibility study to explore the possibility of upgrading existing crossing point with pedestrian refuge into a signalised crossing	£4,000.00	Study complete. Di being held with ITS to its implications.
2015/16 Approved						
District Wide Road Safety Designs	Jan 2016	14/04/2015	LBAS151004	Design of schemes identified in 2016/17 cluster run	£16,000.00	
Kennel Lane, Billericay, Weight Restriction	Mar 2016	14/04/2015	LBAS152002	Delivery of design commissioned in 2013/14 to provide advanced signage of weight restriction	£10,000.00	
Brightside, Billericay, 20mph zone	Aug 2016	14/04/2015	LBAS152003	Delivery of design commissioned in 2013/14 to provide 20mph zone	£12,000.00	
High Road, Langdon Hills, Safety Barrier Improvements	Nov 2015	14/04/2015	LBAS152005	Removal of old barriers (where still present) between Staneway and Shelsley Drive and replacement with reflective bollards and bend warning signs alongside a "treefend" barrier system around large oak tree.	£27,000.00	The maintenance t eventually renewed this location, replace with the new style thereby removing t the LHP scheme.

BASILDON LOCAL HIGHWAY PANEL – 29th SEPTEMBER REPORT 2 – POTENTIAL SCHEMES

The following list identifies all of the scheme requests which have fed into the Basildon LHP. The RAG column acknowledges the status of the request as follows:

= The scheme has been validated as being feasible and is available for consideration within the 16/17 programme.

= The scheme has previously been approved for a feasibility study and the results are awaited before the scheme can be fully considered.

= A scheme request has been received and is either in the initial validation process, not yet ready for commission (although may have attributed estimated cost) or unsuitable for consideration

POTENTIAL CAPITAL SCHEMES 16/17

Traffic Management Schemes

Location	Description ·	Comments	Requested by	Scheme stage	Cost Code	Estimated cost	RAG
Outside the Cooperative, 123 Stock Road Billericay	Delivery of signalised crossing	Subject to the outcome of detailed design.	Cllr Twitchen	Implementation	LBAS152019	£110,000	A
Church Road JW Southend Road	Installation of dedicated right hand turn lane once detailed designs and surveys have been completed	Design not yet complete	Cllr Le Gresley	Implementation	LBAS152029		A
Greens Farm Lane, Billericay	Request for 20mph limit or traffic calming	Speed survey showed average speeds of 33mph and 85th%ile speeds of 39mph. This is too high for consideration of a 20mph speed limit. Validating engineer to assess whether traffic calming might be suitable, but location does not appear suitable. See Appendix for survey data.	Cllr Twitchen		LBAS 152039		R
Glencree and the Bridles, Billericay	Request for measures to protect grass verges	Potential scheme still in validation.	Cllr Twitchen		LBAS 152041		R
Adjacent to Wickford Cof E Infant School	Delivery of signalised crossing	Subject to the outcome of detailed design, surveys and consultation	Cllr Le Gresley	Implementation	LBAS152044	£110,000	А
London Road, Wickford close to no 63	Delivery of signalised crossing	Subject to the outcome of detailed design, surveys and consultation	Cllr Le Gresley	Implementation	LBAS152045	£110,000	A

Location	Description	Comments	Requested by	Scheme stage	Cost Code	Estimated cost	RAG
Norsey Road, Billericay	Request for measures to protect pedestrians on narrow footway from passing vehicles.	Scheme request form required from Town Council. Unlikely that anything can be done here since bollards would obstruct the footway and property entrances, and adjusting the kerbline could create drainage issues.	Cllr Twitchen/ Cllr Hedley/ Billericay Town Council		LBAS 152046		R
Outwood Common Road junction with Southend Road	Request for a mini roundabout	Mini roundabouts are not advised at the junction of major/minor roads since this means giving the same degree of priority to the minor road as the major road, thus creating congestion. Validating engineer to explore any possible improvements here.	Councillor Twitchen		LBAS 152047		R
Cranes Farm Road	Concerns surrounding speeding	Speed survey and validation required.	Councillor Ellis		LBAS 152048		R
Footpath from Lingcroft to Sparrows Herne	Request to prevent vehicles using footpath	Highway boundary check has shown footpath and surrounding verge to be part of the highway. May be difficult to install bollards in such a way that does not obstruct buggies/wheelchairs. Validation not yet completed.	Councillor Smith		LBAS 152049		R
Great Berry School	Request for keep clear lines	This request seems to relate to the refreshing/proper installation of existing restrictions rather than the installation of any new restrictions. I am in discussion with maintenance team as to how best to progress.	Councillor Smith		LBAS 152050		R
Hodgsons Way, Wickford	Request for signalised crossing	Scheme not yet validated. Survey location and approval required. Location seems unlikely to qualify.	Councillor Le Gresley		LBAS 152051		R

Safer Roads

Location	Description	Comments	Requested by	Scheme stage	Cost Code	Allocated Budget	RAG
